

Sex work in times of the Coronavirus

Are you working in Schleswig-Holstein?
Then the following policies apply to you:

At all times, you and the clients* must always wear a nose-and-mouth protective mask.

Only two people are allowed in one room.

Your clients* must have a test certificate that should not be older than 24 hours.

Your test certificate must not be older than 72 hours. That means you should get tested every third day.

Who is fully vaccinated, no longer has to adhere to the mandatory test.

Air the premises often.

Clients* have to leave their contact information.
You have to save them for 4 weeks.

No sex work in case of symptoms of sickness or intoxication, neither you nor your clients*.

No sex work in a car or outside.

No alcohol allowed.

Only safer sex allowed.

Wash your hands and disinfect regularly.

Clean the surfaces and your sanitary facilities frequently.

Only one person allowed in the bathroom.

Keep this hygiene concept ready and hang it up.

It is important that you can also explain your hygiene policies.
